

QUESTIONNAIRE REGARDING PROJECT DETAILS

Our customer is kindly asked to inform us about project details under consideration of following important items:

1. **Kind and conditions of project** (general information/background).
2. **Name and place of the project** (project name, location of project etc.).
3. **Origin of sewage** (domestic areas, industrial or mixed origin).
4. **Quantity of sewage** (daily, peak loads, variations).
5. **Pollution load** (BOD₅, COD, N, P, and other parameters).
6. **Special conditions** (temperature, unusual sewage components etc.).
7. **Sewage transport** (How does the sewage enter the plant location?).
8. **Available land space** (size of the available location, special conditions).
9. **Required effluent quality** (BOD₅, COD, SS, N, P etc.).
10. **Destination of purified effluent** (river, lake, storage tank).
11. **Further use of purified effluent** (irrigation etc.).
12. **Disinfection required?** (Asked kind of chemical/ process.)
13. **Excess sludge treatment** (storage, trucking away, dewatering etc.).
14. **Electrical supply conditions** (voltage, cycles, and available power).
15. **Other information** (special requirements, other facts and figures).
16. **Due date for our offer** (per fax, mail, express service).
